Trail

Mostly woods horse trail and old logging roads with excellent dirt footing. There is a nice mixture of easy, fast stretches and hills, including several 500 ft changes in elevation. There are some rocky sections when climbing in and out of the creek and river gorges, and some gravel. Creeks for water are plentiful. The trails are well maintained, and will be well marked with signs and ribbons. Each day will be a unique 50 or 30-mile trail, which begins and ends in camp. **We will**

be using new (not used recently for the BSF Ride) trail, which crosses the river! The first vet check will be away from camp for the Limited Distance and two away checks for the 50 milers, with the 100 milers requiring three away vet checks. We will arrange to transport items to the check if you don't have a pit crew.

Camp

Camp is primitive, in a grassy field just west of the Bandy Creek complex. There is a hydrant for horse or people water and bathrooms with running water 0.3 miles from camp. Port-a-johns will also be on site. Bathhouses (showers) are located at the Bandy Creek Campground 0.8 miles from camp and can be used for a small fee. Insect warning: This area tends to have an abundance of ticks, chiggers and other troublesome pests. Bring and use appropriate protection for yourself and your horses and dogs.

Volunteers

Help is needed to work the vet checks, pull ribbons, deliver water, etc. If you or someone you know would like to help, please call or enclose a note with the entry form. Indicate what days and jobs you are available for. We will be most grateful and will plan to provide you a meal.

Park Facilities

If you wish to arrive earlier than Wednesday, you may stay at Bandy Creek campground and stable your horse. You must have stall reservations and can make campground reservations (make them early since this is a popular time of year). The campground is located 0.8 miles from the ride site and has electric hook-ups, water, etc. Ice is sold at the visitors' center during the day, as well as topographic trail maps. Most trails are marked with permanent park service signs showing landmarks and mileage. Feed and some horse supplies are sold at the stables. Other provisions are about 25 minutes away in Oneida or Jamestown.

Food

Supper will be provided Saturday night for **the 30 and 50-mile competitors and volunteers**. Breakfast will be provided on Sunday morning for the 100-mile **competitors and volunteers**. Extra meals can be purchased for family and crew at \$5.00 per meal.

Awards

Completion awards will be given to everyone who successfully finishes the ride. Additional awards such as Best Condition, Top Ten, etc. will also be available. Reminder that proceeds from this ride will be used to fund the Region XII Endurance Challenge, and other Region XII Distance events.

Rules

Horse, pony or mule must be 60 months old to enter the 50/55/100 mile rides or 48 months old to enter the 30-mile rides. **Rider must be at least 8 years old**, and if under 16, accompanied by a designated adult sponsor (21 years or older) for the duration of the ride. Approved safety helmets are required for riders under age 16, and encouraged for all riders. All AERC and SERA rules apply, and additional AHA rules apply to those who enter the AHA events. Decisions of vets are final. In order to receive credit for completing the ride, horses must be "fit to continue", as determined by the veterinarians. The winner of the 30-mile ride will be the first horse whose pulse recovers to 60 bpm. ***You must present a negative Coggins test (<1 year old), and ALL appropriate membership and registration papers. All dogs must be on a leash (park rule).***

Warning: Under Tennessee Law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to Tennessee Code Annotated, title 44, chapter 20.

History

The Big South Fork National River and Recreation Area was created by an act of Congress in 1974. The US Army Corps of Engineers did all of the early work, and then turned the operation over to the National Park Service in 1991. The primary use is outdoor recreation of all kinds, including hiking, camping, bicycle, horse and ATV riding, canoeing, rafting, hunting & fishing. Prior to the creation of the park, this part of the Cumberland Plateau was used for farming, logging and mining. Nature has since been reclaiming the land, but evidence can still be seen of the earlier users. Entire communities once existed in some of the valleys that the trail passes through. Often a stone chimney is the most that remains of the homesteads, although there are several restored cabins throughout the park. A group of log buildings along Station Camp is operated as the Charit Creek wilderness lodge. Meals, lodging and stabling are available to the guests here. Part of the trail follows the abandoned Oneida & Western (O&W) railroad, which once carried lumber and

coal from the area. Remnants of the mining operation are still visible, as well as some oil and gas wells. The old railroad bridge across the river is still in place, but the ride will not be crossing it.

The average high and low temperatures in June are 83 and 63. For general information about the park, you may call the visitor's center (423-286-7275) or visit the park website: www.nps.gov/biso

Fees

Refer to the entry form for the list of fees. **The National Park Service does not permit the collection of entry fees inside the park, so you MUST send in your entry form and payment in advance.** The refund policy is liberal, so you will get your money back if you must cancel, up to and including the ride weekend. Refunds on meal tickets may not be given unless they can be cancelled or sold to someone else. The ride will be limited to the first 100 entries (per day) received. You must mail your entry fee to me such that I receive it NO LATER than Saturday, August 30, 2008 since I will not be home to get mail the week before the ride. This is a release – it contains limitations on liability - read it

As a participant in the Big South Fork Endurance Ride, I agree to abide by the rules of the AERC, SERA and Big South Fork Endurance ride. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards, which ride management cannot anticipate, identify, modify, or eliminate; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for the animal I am riding and myself. I will hold Region XII of the Arabian Horse Association, The Arabian Horse Association, Southeast Endurance Riders Association and the American Endurance Ride Conference, ride management, all ride personnel, and all property owners whose land the ride crosses, blameless for any accident, injury, or loss that might occur due to my participation in the Region XII Distance Round Up Endurance Ride and free from all liability for such injury or loss.

I have read and understand this liability release.
