If you are looking for a better way to get involved with our beautiful Arabian horses, perhaps you should consider taking a better look at the Region XII Spotlight Stallion Incentive Program. Though only six years old, we are proud to be able to share that there will be \$144,000 dollars up for grabs this year. This program makes available to you an opportunity to breed to national quality stallions in a futurity based program that is amateur friendly and goes that extra step to provide educational opportunities so that you can become a better skilled at making your own breeding, purchasing and marketing decisions.

Our live auction will be made available to you via live streaming, brought to you by the Arabian Global Group. Telephone bids are definitely being accepted, so we invite you to make the most of this opportunity and spend some time with us on May 10, 2012.

We hope to see you one day in our

## Spotlight Stallion Service Auction Breeding Terms and Agreement

Purchaser hereby acknowledges that I/We purchased the breeding to the Stallion above, to be used during the breeding year 2013 to a purebred Arabian mare of my choice, for the sum above, after having made the high bid and being declared Purchaser at the Region 12 Spotlight Stallion Auction in Perry, GA.

Purchaser hereby agrees to be responsible for compliance with the requirements as forth in the breeding contract attached hereto including, but not limited to health papers, vaccinations, normal mare care fees and miscellaneous charges listed below.

Purchaser further agrees that a nonrefundable down payment of FIFTY PERCENT (50%) of the PURCHASE PRICE IS PAYABLE AT THE TIME OF SIGNING OF THIS CONTRACT; balance is payable to Region 12 Spotlight Stallion Futurity by September 30 of the applicable auction year. Purchaser agrees to pay the bid price in full on this date, or on the terms provided in this contract and to execute a promissory note for the remaining balance due. Commencing with the 2010 Auction Year and going forward, a 3% processing fee will apply to each credit card payment transaction, including but not limited to stallion nominations, mare nominations, down payments and final payments. It is further agreed that at time of full payment of the breeding fee, a receipt signed by Region 12 Spotlight Futurity will be forwarded to Purchaser and that the receipt must be presented on delivery of the mare to the stallion owner prior to breeding of the mare. If final payment is not received by September 30 of the auction year, Purchaser will be assessed a fee of 1% per month of the remaining unpaid balance. All outstanding balances must be paid-in-full no later than by November 30 of the Auction year. After November 30, Region 12 Spotlight Stallion Futurity reserves the right to offer the applicable purchased stallion breeding to alternate purchasers. If an alternate purchaser is utilized, all original purchaser monies paid to date will be forfeited.

In the event the Stallion is medically unable to service Purchaser's mare, by reason of confirmed injury of death of the stallion, and accompanying veterinarian letter of certification, the breeding deposit will be refunded, upon request, and without interest, unless

the is frozen semen available for the year of mare service. If frozen semen is available the year of mare service, Purchaser agrees to utilize in replacement of cooled semen under same terms of contract. If the Stallion is sold, leased or relocated within the United States of America prior to the conclusion of the breeding season, the Stallion Owner shall be responsible to the Purchaser for the increased difference in fees and costs in breeding to the stallion in excess of those fees set forth in the Stallion Owners Breeding Contract. Increased fee schedules would include but are not limited to boarding, foaling fees, and costs of semen shipments, the difference of which is to be paid by the original Stallion Owner. If sale of the Stallion relocates that Stallion outside of the United States of America and no frozen semen is available in the United States that year, the breeding deposit may be refunded, upon request and Spotlight Board of Directors approval, without interest, to the Purchaser upon approval by Region 12 Spotlight Stallion Futurity.

It is further agreed that the breeding herein purchased is subject to the rules and regulations of the Region 12 Spotlight Stallion Futurity and that in the even the Purchaser fails to comply with the terms and conditions of this sale of the rules and regulation of the Futurity, Purchaser agrees to forfeit all monies paid as liquidated damages and contract will be void. Region 12 Spotlight Stallion Futurity, at its sole discretion, may without further notice sue for specific performance of voided contract.

If Purchaser defaults in the payment of the balance due under the terms of this contract and no alternate Purchasers other than the Stallion Owner are utilized, Stallion Owner agrees to complete the Purchaser's performance of the contract by payment of the remaining original Purchasers Balance, or \$600.00, whichever is less, due hereunder to Region 12 Spotlight Stallion Futurity and shall then be entitled to utilize said breeding without any further obligation to Purchaser.

Venue for any action respecting this Agreement shall be in Houston County, State of Georgia.
