REGION XII  
**Spotlight Stallion**  
 SERVICES AUCTION

May 3, 2007

Welcome to the first Region XII Spotlight Stallion Services Auction. We have all worked very hard to provide you with a fun-filled and exciting opportunity. We hope you will enjoy yourself.

You will see some of the most beautiful stallions in our industry represented for your selection. The breedings on which you will be bidding are for the 2008 breeding year, to produce foals in 2009.

It is our hope that you will show those resulting foals in the Auction Yearling Futurity classes in 2010. They will be AOTH classes. Early estimates indicate that the colts and fillies yearling classes for 2010 will split about \$34,000 in prize money. That should add drama – and opportunity – if your goal is to sell the foal.

Have a good time and spend some money.  
 Dan Regan, Committee Chairman

### SPOTLIGHT STALLION SERVICE AUCTION BREEDING TERMS AND AGREEMENT

Purchaser hereby agrees to be responsible for compliance with the requirements as set forth in the breeding contract attached hereto including, but not limited to, health papers, vaccinations, normal mare care fees and miscellaneous charges listed below.

Purchaser further agrees that a nonrefundable payment of **the larger of 50% or \$500 is due at signing, with the balance due on or before October 31st, 2007**. Purchaser agrees to pay the bid price in full by this date. It is further agreed that at time of full payment of the breeding fee, a receipt signed by the Region XII Stallion Services Auction Committee will be forwarded to Purchaser and that the receipt must be presented on delivery of the mare to the stallion owner prior to breeding of the mare.

In the event the stallion owner by reason of death or injury of the stallion is unable to fulfill this agreement, the breeding deposit will be refunded without interest, unless there is frozen semen available. If the stallion is sold, leased or relocated within the United States of America prior to the conclusion of the breeding season, the stallion owner shall be responsible to the Purchaser for increases of fees and costs in breeding to the stallion in excess of those fees set forth in the Stallion Owners Breeding Contract, including but not limited to boarding and foaling fees, etc., and/or the costs of shipping semen to be paid by original stallion owner; if the

stallion is relocated outside of the United States and all attempts at a negotiated agreement between the original stallion owner and the successful bidder fail, the breeding deposit may be refunded, without interest, to the Purchaser upon approval by the Region XII Spotlight Stallion Auction and Futurity committee.

It is further agreed that the breeding herein purchased is subject to the rules and regulations of the Region XII Spotlight Stallion Auction & Futurity Committee sponsored by Region 12 of the Arabian Horse Association, and that in the event Purchaser fails to comply with the terms and conditions of this sale or the rules and regulators of the Futurity, Region XII Spotlight Stallion Auction and Futurity Committee retain the down payment as liquidated damages and declare the contract void, or at its option, may without further notice sue for specific performance of contract.

If Purchaser defaults in the payment of the balance due under the terms of this contract, stallion owner may complete the Purchaser's performance of contract by payment of the balance, if any, due hereunder the Region XII Spotlight Stallion Auction and Futurity Committee, and shall then be entitled to utilize said breeding without any further obligation to Purchaser.
